		Customer No.:	27123
For:	Novel Human Gene Relating to Respiratory Diseases and Obesity		

GENERAL TRANSMITTAL

Mail Stop ISSUE FEE
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Transmitted herewith is a revised Part B – Fee(s) Transmittal Form. A previous version of this form was filed today, January 23, 2009 at 9:22:27(EFS ID: 4662282). Due to an inadvertent error, the previous Fee Transmittal Form did not have a box checked next to item 4a – Publication Fee and item 4b – authorizing the Director to charge the deposit account for the required fees. Although these boxes were not checked, the appropriate fees were timely paid with the previous submission.

In an abundance of caution, applicants submit herewith a revised Fee Transmittal Form with the appropriate boxes checked. Applicants believe that there is no additional fee for filing this revised form as all fees were paid previously.

- ☒ The Commissioner is hereby authorized to charge any additional fees which may be required by this paper, or credit any overpayment to Deposit Account No. **13-4500**, Order No. 2976-4039US3.

Dated: January 23, 2009

Respectfully submitted,
MORGAN & FINNEGAN, L.L.P.
